

Dear Parent(s):

FTCA uses Chalkable Café as our lunch service operation to keep track of deposits and items sold to your child's account. Chalkable Café includes a mobile app, **My Chalkable Café**, that can be used for the following items to ensure that you are always connected to your child's lunch account:

- Monitor your child's balance and transaction history
- Make a payment to your child's balance**
- Update their account with any food allergies or dietary notes and enable or disable the option to purchase a la carte items*. All accounts are defaulted to **no a la carte**. *You must enable when you register the account to allow charges.*
- Receive push notifications whenever your child has eaten lunch, made a deposit to their account, or has a low or negative balance.

You can visit <http://www.mychalkablecafe.com/FTCA> or download the app:

1. Search the App Store or Google Play Store for "My Chalkable Cafe"
2. Open the mobile app, click the "Register" button, enter the district code "**F5376**" and proceed to enter in your information.
3. Upon completing the registration form, check your e-mail for a verification link and click on it.
4. Log back into the app and link your child(ren) via the "Add Account" menu option.

We hope that you find the My Chalkable Café mobile app helpful for keeping connected with your child's school. If you have any issues linking your child's account, please notify Genevieve Wilson at gwilson@faithtraining.org for assistance. For balance questions or concerns, contact Mrs. Brenda at (337) 239-6066

Overdue Balances: Once your child's account has reached a negative balance of \$20.00, they will no longer be allowed to charge a meal. You will need to send a sack lunch until the account has been paid in full.

*A la carte items can be extra items other than what is listed for lunch (ex. Powerade, sherbert, etc), but also includes getting an extra item or individual item from the day's menu (ex. extra gumbo or only a milk). If you choose to keep a la carte off, they will not be allowed to charge anything except the meal listed on the menu. Please talk with your child about what they can get and make plans to send money with them the day of the purchase.

**If sending a payment to the school. Checks are made payable to Family Worship Center Or FWC, please include the student's name on the check. Send all payments in an envelope or Ziploc baggie with: LUNCH and your child's name listed.
